

# Let us help **YOU** be part of the solution!

## Mission Statement:

Our mission is to increase the tonnage of recyclables in your neighbourhood by offering a convenient weekly curbside pickup service.

If you already recycle, let us take the hassle out of having to transport the recyclables to the blue bins every week. If you don't recycle, now is the perfect time to start. It has never been so easy to recycle! Be part of the solution and reduce the amount of recyclables dumped in our landfill.

## Service Area

On May 5, 2007 we successfully launched our weekly curbside pickup service in the Millidgeville area. We are rapidly expanding our service to other areas in the Greater Saint John region.

## Pricing

\$15.00 (HST included) per month for household sorted recyclable pickup. Monthly payment must be received by the 1st of every month to ensure weekly curbside service. Seniors save an additional 10%.

# RECYCLING IS AS EASY AS 1, 2, 3!
